

Národní filmový archiv: Photo Collection

>>[View collection](#) Via the EFG, the Czech National Film Archive

gives access to photos to Czech feature films until 1920. A lot of films from this period are considered to be lost and the provided photos are a unique sources documenting the visual form of the film. The selected photos belong to the Czech Film Archive's huge photo collection covering Czech feature films from as early as 1898 until the end of the nationalised film production in 1991. The majority of photos are black and white to both silent and sound films.
