WWI Topics

The following **sample searches** are intended for exemplifying the potential of the EFG search engine. They are based on keywords provided by the archives. Please be aware that the material retrieved under a certain keyword as well as the topics presented may not be exhaustive. Further, through updates and data improvement, search results will display new material throughout February 2014. By then, all materials digitised within the EFG1914 project will be available on the *European Film Gateway*.
