

EYE International Conference 2018 online - Programme announced

European Film Gateway News Alert

"Activating the Archive. Audio-Visual Collections and Civic Engagement, Political Dissent and Societal Change." is the topic of this year's edition of the [EYE International Conference](https://eyefilm.nl/themas/eye-international-conference-2018), which will take place at EYE in Amsterdam from Saturday 26 May to Tuesday 29 May 2018. The international conference will feature talks by over 50 speakers that will explore how audio-visual collections can be mobilized for the common good. For the full programme and to register visit eyefilm.nl/themas/eye-international-conference-2018
